## DOWN WITH THE PRICES And Out With the Goods!

THAT IS OUR MOTTO. We do not intend moving any part of this High-Grade stock to any of our stores or warehouses but will sell it, at retail, at such ridiculously low prices that it will take this entire community by storm and will make everyone sit up and take notice of the wonderful bargains we are handing out, and will continue to hand out during this sale.

STUPENDOUS is about the only name that could be applied to the opening day. Our store was crowded from the minute we opened our doors until we closed. They came, they went and came back again bringing their friends and neighbors with them this time and advising them to share in these wonderful bargains that we, THE NEW YORK AUCTION AND COMMISSION HOUSE, the world's greatest bargain givers, are giving the people. Don't delay, come in at once and be convinced. DON'T FORGET THE PLACE where this wonderful slaughter sale is now going on in full blast.
